

2021 ANNUAL REPORT

PREPARED BY

Gail Torrens
TBAQ CEO

PRESENTED BY

Michael McKenna
TBAQ Chairperson

**Queensland
Government**

TBAQ Board Members

- Michael Mckenna - Chairman
- Benjamin Moore – Secretary
- Carmel Raju - Treasurer
- Morty Douglass – VP South
- Frank Nucifora – VP North
- Brian Bates –Independent
Proprietors representative

OUR QUEENSLAND COMMITTEES:

Committee Chairpersons – State events – athlete pathways Qld.

- North Queensland Junior Committee – Tyson Jones
- South Queensland Junior Committee – Nathan Stein
- State Disability Committee - Beth Boyd
- State Adult and Youth Committee – Morty Douglass/Cheryl Womack
- North Qld Adult Coordinators (NQ Adult Zone) Bob Doyle & Ralph Strecker

Plus recognising the valuable contribution of all volunteer committee members working with each of the lead persons of each TBAQ authorised committees

TBAQ Staff / Roles

CEO

Gail Torrens Grad.Dip (Elite Sport Coaching)

- TBAQ HR management –
 - Excellent team of 1 full time Development officer – 2 part time Development Officers – 1 office financial manager.
- State Gov Active Industry Funding and acquittal
- Proprietor and Association liaison
- State Coaching Director
- Manual writer – sport specific
- State Committee support person alongside VP North and VP South
- Complaints committee TBAQ
- MPIO - TBAQ
- TBAQ Operational Plan coordination and delivery
 - State Government liaison
 - Sales and Marketing
 - Community services, in school, in centre
 - Brand development Roll 'n Strike, Tenpin Tots, Over 45/Seniors
 - State Committee liaison/assistance – Junior development
 - High performance coaching and coach workshop developer
 - TBAQ State event supporter
 - Qld tournament calendar
 - Qld education and training calendar for associations, officials, volunteers, coaches, athlete pathways
 - Social media and website news

Board Member - QSport: Indoor Sport Group (21 Indoor Sports in Qld)

Development Officer

Dylan Stubbs

- Sales and Marketing
- Roll 'n Strike
- Event Manager - Interschool Challenge
- Sporting Schools (in School)
- Website updates

- Tenpin Tots
- LGA Funding applications/Association support
- Pan Pacific Masters Games Convenor

Development Officer

Robert Mitchell

- Roll 'n Strike bookings and administration
- Interschool Challenge competition state wide.
- Tenpin Tots
- App Development
- Professional Development (University bookings and visits)
- UniSport Nationals
- Website updates/development

Development Officer

Zachary Mabb

- Vacation Care program Bookings/Administration
- Tenpin Tots
- Roll 'n Strike teacher in-service
- Website updates
- Aged Care program Bookings/Administration
- Database management and development
- Assistant to CEO

Communications/Marketing Public Relations

Lynne Clay

- Part-time contractor to TBAQ encompassing:-
 - Communications: TBAQ members, Queensland and national bowlers, local, state-wide and national media, bowling industry, corporate and government stakeholders,

Accounts

Sharon Stephenson

- Centralised Accounts – including state committees financial operations – reporting to TBAQ Treasurer and CEO
 - Accounts Receivable,
 - Accounts Payable,
 - Payroll, Reports for Board,
 - Tax reporting, etc.
- Assistant to CEO

Supported by:

CHAIRMAN'S 2021 REPORT

Michael McKenna

I am pleased to present this report to members and other interested and related parties on the 2020 calendar year for the State Association of Tenpin Bowling Association of Queensland Incorporated.

TBAQ acknowledges the support the State Government provides, not only as the single biggest individual contributor to TBAQ. TBAQ have delivered State Governments strategic outcomes of more Active Queenslanders through the delivery of sport services of Tenpin. TBAQ also acknowledge all the efforts of our local associations, committees, supporting proprietors and Tenpin Bowling Australia (TBA), our National Supporting Organisation. Without their support, the Board's task of maintaining our program of an extensive list of sport services would be much more difficult than it is.

TBAQ have delivered, best practice delivery models to meet current needs of the Sport of Tenpin and the Community through the use of technology to meet the challenges of distance both economically and operationally. TBAQ planning to expand our online digital resources into 2021.

Thanks to the CEO, the staff and volunteers working and enhancing TBAQ's role in influencing, assisting the growth and development of our sport in Queensland, we have had again a remarkable year. TBAQ oversaw the supply and maintenance of \$431,000 of modified tenpin bowling equipment to schools, universities and communities during 2020 with demand growing each year for our all abilities, all gender, fun activity available at no cost to schools and community groups, hospital rehab units and also in use in afterschool and holiday care programs.

Commercial centres partnerships were integral in supporting the delivery and sponsorship of 20% of our School Roll 'n Strike resources (modified tenpin lanes) 80% provided by positioning sponsorships and supporting Sporting Schools programs in Qld. Our Roll 'n Strike program in schools reaching over 77,000+ school children in Qld (2020 figures). Conversion rates from community to the sport venue is desirable to ensure a lifetime habit of activity and participation keeping Queenslanders active and healthy. TBAQ distribute invitations and offers from local centres to schools and have new digital competitions available to further entice more of the 77K children in Roll 'n Strike programs to participate at local venues.

Gail is the Chairperson of the Indoor Sports Group (22 Qld Indoor Sports) and a Board Director of QSport. Our **Covid Indoor Sport Industry Plan** provided to all commercial centres in Qld is the result of QSports activities in partnership with Queensland Government. We were fortunate to get our centres back in operation as early as possible thanks to the delivery of plans and guides constructed by Gail for Indoor Sport in Qld.. Qld proprietors quick to take on the plan to protect customers, providing a covid safe environment.

Volunteer committees and coaches provide pathway events, Junior and Youth Development camps, 'learn to bowl', 'coach supported state- wide leagues', research and development, coach, officials and athlete pathways, coach and official recruitment.

TBAQ was active in the support of community organisations operating in sports halls, multi-sport expos, and support for people with a disability. Plans for the expansion of these services, early learning programs (Tenpin Tots) and support targeting 45-65 year old's and retirement homes are ongoing.

Queensland (TBAQ) was the first State in the sport of Tenpin Bowling to initiate the 'in-school' development program Roll 'n Strike. Expanding support services to Universities increases our

reach in Queensland. **TBAQ have on-line teacher development program** as an example of effective best practice option to teachers prior to their placement in schools. **TBAQ provide Universities and Schools** with the tools to teach. The program keeping all students (up to 36 in a class) on task at all times during the program. The Roll 'n Strike program of Tenpin is used in Universities as an effective teaching tool in the Bachelor of Education HPE pedagogy unit at Southern Cross University in past years.

Acknowledgment of our partnership with State Government is within our video education support material and all of our communications of sport services. TBAQ have updated our teacher resources, aligning with current Australian curricula requirements with a new look manual utilising curriculum specialist Mr Glenn Amezdroz.

TBAQ connect through **Qld RecCONNECT** to offer sport services to an inclusive audience. Resources such as the Auslan video to better orientate persons with a hearing impairment to the sport and recreation of tenpin are available. TBAQ support all services aligned with Bowl Ability the National Inclusive program. Tenpin Bowling is the number one activity choice providing the physical and emotional success of participation.

TBAQ has a base of **25 sport registered Bowling Centres** state-wide in 2020. Some centres represented by both a junior and adult associations/clubs. TBAQ has **32 Associations** existing in Qld. Our aim is to have all our associations incorporated. Qld TBA Sport membership just under **8000** and recreational bowlers in 2020 numbering over **150,000**.

We have **6 Volunteer committees** who deliver our State and Zone Championships and Events. **Our committees are in charge of pathways of state representative teams** for all categories of bowler, and 2 event specific committees who manage state driven events for juniors (QJC), for juniors 18 years and under and the PPMG committee for seniors over 35 years of age. TBAQ provided governance resources and guides at no cost to Associations in 2020 through an external organization Community Sport utilizing **"Club Spot"**. Ensuring up to date governance guides, templates and assistance is provided, and have entered into an agreement to continue this support in 2020 and beyond.

The State Based Training Squad is the pathway to National teams along with ranked events, for Qld Tenpin Bowling Talent ID processes, The State Training Squad is accessible to all categories of bowler including, Junior, Youth, Adult, Senior and Bowlers with a disability. The State based training Squad program for athletes is also a training ground for our coaches. Local coaches passing this knowledge through TBAQ coach education workshops accessed at regional and rural areas. Gail has launched a newly updated **12 frame program** to provide training to enhance athletes tournament success and it has been accepted well details on our education and training calendar of upcoming dates.

TBAQ provided **Coach Workshops** to upskill and support local coaches to deliver up to date material to athletes. **Coach Developers** have been identified (6 to date situated in Rockhampton, Mackay, Townsville, Brisbane, Cairns and Toowoomba) with further networks to be built over the next 5 years to support and expand our numbers of coaches.

Junior pathway process allows Queensland juniors to fast track to national levels through State and international experience opportunities boosting results at national levels with more of our junior and youth athletes gaining places in Australian teams through National tournament rankings and selection to compete overseas.

TBAQ introduce World Champion American Professional bowlers to join our high-performance program including this activity in our Junior and Youth development Program and State Training Squad promotions in addition to our regular clinics and camps available in North Queensland and South Queensland. Jason Belmonte (World ranked Number 1) recently providing video to our juniors at training camp and also to encourage juniors from across Australia entering in the nationally ranked Qld Junior Cup in May 2021. This has proved to be extremely successful.

The expansion of our sport services and the sheer size of our popular in school program necessitated us to again continually rebuild the functions of our website. Functions such as ongoing library of reports on events held locally and state -wide, location finders for local bowling venues, community services are enhanced through automated school booking of free resources provided to schools via our website and education and training videos available online for teachers.

We have recently **partnered with Qld Universities** to develop an APP to support teachers in school with ready access to these instructional videos and sport information. This in turn provides TBAQ cost savings by assisting us to conquer great distances and travel expenses to provide specific training in the large State we live in. We will constantly evolve our IT to meet our needs.

TBAQ are in the process of streamlining our reporting processes and rebuilding volunteer numbers across Queensland. The transient nature of the population in some regions of Queensland poses a constant challenge for us as a state sporting organization. Our sport boasts 25 venues in all regions of Qld with our school program covering more of the State, we have been successful delivering consistent services where we are short of volunteers by providing part time development officers to deliver those services.

TBAQ through responsible governance, financial management and sport service delivery have built a stable and well-run State Level Sporting Organisation and we look forward to another exciting and we are sure challenging year, delivering sport services to all regions of Queensland.

We are grateful for the support of the Queensland tenpin community, stakeholders and volunteers we work with.

Michael McKenna
TBAQ Chairman

ANNUAL GENERAL MEETING

Tenpin Bowling Association of Qld Inc.

*To be held on Monday 10th May 2021
Zoom teleconference 7pm*

Agenda

1. Opening – *approval from all delegates to continue in teleconference mode – moved and seconded.*
2. Apologies
3. Minutes of Previous Annual General Meeting (22nd June, 2020)
4. Business Arising from Minutes
5. Annual Report for 2020
6. Audited Financial Statements and Balance Sheet for 2020
7. Notice of Motions
8. Appointment of Auditor for 2021
9. Election of Board Members for 2021
10. Close

Chairman signature:

Annual General Meeting Minutes
Monday 22nd June 2020
Zoom Teleconference - Commenced at 7.00pm
 1. Roll Call and Apologies

a. Present:

Centre/association	Name	
Cairns	Peter Finitis	Delegate
Caboolture	Brian Bates	Delegate
Rockhampton	John Mckenna	Delegate
	Sophie Patterson	Delegate
TBAQ	Gail Torrens	CEO
	Dylan Stubbs	Development Officer
	Sharon Stephenson	Accounts manager
	Michael Mckenna	Chairman
	Benjamin Moore	Secretary
	Carmel Raju	Treasurer
	Lynne Clay	Media consultant
Mt Gravatt	Tracey Crisp	Delegate
Mt Warren	Rudy Turozi	Delegate
Strathpine	Clayton Marks	Delegate
		TBAQ Committee
SQJC	Nathan Stein	Chairman
		Delegate/TBAQ
NQJC	Tyson Jones	Committee Chairman
		Coolangatta/Tweed
State Disability	Beth Boyd	Delegate
Burdekin	Frank Nucifora	Delegate
TBA	Cara HoneyChurch	CEO

b. Apologies – Morty Douglass: Kingaroy Tenpin Bowling Association Inc.

2. Table 2019 AGM minutes

a. Tabled and available on TBAQ website.

b. Moved by Beth Boyd and Seconded by Gail Torrens and motion carried.

3. Business Arising from Minutes - Nil

4. Table Treasurers Report
 - a. Tabled
 - b. Carmel provided an overview of the report
 - c. Report was moved by Brian Bates and seconded by John McKenna and was carried
5. Dealing with Notices of Motion received by the Board:
 - a. Motions:
 - i. Use of teleconference
 - ii. AGM timeline
 - iii. Fee to Centres
 - iv. Remove acceptance of Cheques
 - b. Tabled
 - c. Motions were seconded by Brian Bates, no one against and were Carried.
6. Motion to appoint an auditor
 - a. Put forward to use same auditor as 2019 – SRJ Walker Wayland
 - b. Moved by John McKenna and Carmel Raju Seconded and was carried
7. Table Chairman's and Annual Report for 2019
 - a. Tabled and available on TBAQ website
 - b. Michel McKenna provided an overview
 - c. Report was received and carried.
8. Election of the Board of Management
 - a. All board members re-standing for next year.
 - b. Seconded and carried.
9. Meeting closed at 7.20pm

Signed:

Michael McKenna
Chairman
Tenpin Bowling Association of Queensland

NQJC North Qld Junior Committee

2021 TBAQ Adult & Youth Committee Report for AGM

Chairperson -Cheryl Womack:

My role as Chairperson of the Adult & Youth Committee, certainly had its challenges and new learnings, however with the support of the TBAQ office, especially Gail Torrens, we got through this years Roll Offs and State Championships.

I have used my experience with other events to provide up to date summary reports to the TBAQ office on all processes. The TBAQ office staff ready to assist with anything required.

The Committee: Chairperson Cheryl Womack, Committee members Don Lindsay, Carl Womack, Bob Doyle, Colin Linton.

Tournament Team: Cheryl Womack, Carl Womack, Colin Linton, Gail Torrens and proprietors and staff at Strathpine Bowl.

Team selection:

Full selection for the 2021 State Team was certainly new for everyone involved, the selectors and criteria to base selections on were chosen and forwarded to Tenpin Bowling Australia prior to the selection. The process resulting in the following nominations received.

8 Youth Boys and 7 Youth Girls

12 Walter Rachuig Men and 6 Ladies

4 Senior Men and 6 Ladies

In a COVID threatening timeline that restricted many persons from travelling, I believe an overall great response for Queensland was evident with enough bowlers to contest teams for the Nationals in Hobart in July/August. Whilst this decision to do a full selection was not ideal, as this has not been done in previous years, I do believe it was the correct one.

State Championship events:

Next challenge was to organise the State Championships. Whilst in the beginning it certainly seemed to be manageable, it was a much bigger task than I anticipated without any previous knowledge in running one of these tournaments. With the help of Gail Torrens, Carl Womack and Colin Linton as our Tournament team, we would not have been able to complete this event. Morty Douglass provided assistance with the software and once we were going with these processes we soon got familiar with the software and became proficient.

There were some learning curves along the way and certainly have gained experience in what not to do next time in order to run it more smoothly. However, I believe there is a gap in information being readily available for anyone who is inexperienced or with no prior knowledge on these events in order to run them successfully.

However, we had 82 bowlers (68 Championship events and the remainder Masters and Cup participants) over 2 weekends at Strathpine Bowl. The Masters and Cup events targeted, Youth, Restricted, Open Grade and Senior bowlers. Numbers were down on previous years; however, it was well received by those who competed.

With all that in mind, I am overall pleased with this outcome and successfully completing these events for 2021.

Cheryl Womack

Chairperson

On behalf of TBAQ Adult & Youth Committee

07/04/2021

TBAQ DISABILITY COMMITTEE. CHAIRPERSONS AND COLE CUP COACH REPORT 2020.

Well another year has come and gone and it seems like only yesterday that I was writing a report for the last State AGM.

Covid Resulted in the cancellation of the Disability Nationals and our State Championships, these have been held over to 2021 and at the same venues. We also kept our state teams from 2020 for 2021.

I would like to thank the executive of our committee, Steve Tripney, Vice Chairperson and Bernie Madden, Secretary/ Treasurer for all their hard work in what has been at times an extremely difficult year, and that hopefully this year will continue as we have had up to now. Also to the individual centre delegates for what you do in your centres and when we have meetings your attendance and input. Thanks also to the parents, carers and coordinators for giving up of your time to attend events and training, you all help to make our events successful.

Sadly, we are still having issues with support workers who do not see Tenpin Bowling as anything but a social activity, not just championships but even leagues.

Also we are still having issues with bowlers/carers not abiding by the dress code at championships. Whilst some people may have an issue with the black dress pants/shorts, this has been raised and voted on a number of times and is the official dress code of the championships and will continue to be so, until it is voted to change the dress code. There will have been 12 months for bowlers to buy and get used to bowling in black dress pants or shorts from last years to this year's championships.

We have been using the new simpler championship program now for a couple of years, and last year we ran the masters qualifying and the master's events through this and the sprint component.

I would like to thank all of our Team officials for again putting your hands up to look after our teams for this year. Mr Kim Mogg, Coach and Mrs Bernie Madden, Manager of our Open team. Mrs Beth Boyd, Coach and Mrs Christine Challinor, Manager of our Cole Cup Team and Mr Ben Madden Assistant Manager for both teams.

In closing I would like to thank the TBAQ board and office staff for all their assistance and guidance to the committee, and to Sharon in the office for her processing of our financial requests and payments. To you all it is very much appreciated by this committee.

This committee is working every single month, even when we are supposed to be having nothing on, and even right through Covid.

**Beth Boyd.
Chairperson, and Cole Cup Coach.
TBAQ Disability Committee.**

6 May 2021
AGM REPORT FROM SQJC

The last 12 months have certainly been challenging; however it is good to see participation back in our sport after the COVID effected year of 2020 (and 2021)

The 2020 Zone Championships in February 2020 was heavily support with approx. 80 entrants from across South Queensland, and was to be a forerunner to the Junior National Championships, which as we know was sadly cancelled due to COVID. Was due to be the first time since 2008 that the event was held in Queensland, and it appears that opportunity has passed for at least the next few years, with TBA partnering with Strike 3 to host a combined National Championships in Hobart each July.

The 2020 Shield Team consisted of the following athletes Cameron Stein ©, Mitchell Williams, Matthew Purser, Blake Walsh, Jordan Harrold, Travis Kloer and Matthew Bottomley. Tiarna Tirendi ©, Jessica Canfield, Hannah Clark, Emily Gollagher, Jasmine Brady, Aimee Steinback & Rachael Graham
Those aging out in 2020 were Cameron, Mitchell, Matthew & Tiarna. While Tiarna & Mitchell have drafted in the past, this was to be their one and only SQ representation.

In late 2020 we did manage to hold the 6th Annual Queensland Junior Cup, although not ranked we felt important to hold the event to keep the history alive – and also give the athletes a chance to compete one last time in 2020.
We had 2 Queensland winners in Jackson Buckingham & Jessica Canfield, but the event was heavily impacted with limited interstate participants.

Tasmania Crew need to be recognised after they supporting this (and the 2021) event with good numbers. We also had a few former winners return to spectate for the weekend, which is a terrific reflection on the reputation and prestige in which this event is regarded.

Last weekend, we also held the 7th annual QJC at Caboolture. The new format saw a good return to numbers (63 + 41 re entries) which every state returning with some competitors. Emily Meehan & Blake Walsh took out the open event, but local bowler Dean Linsdell in his first ever tournament took out the Graded Division. Later in 2021 we are looking to launch our State Ranking & a few other events to create a much stronger pathway for our athletes.

Some exciting times lay ahead.

Nathan Stein
SQJC President

NQAC Coordinators Report 2021

The 42nd North Qld Intercity Shield was held at the Townsville Tenpin and Fun Centre during the period of the May Day weekend 2021.

On Saturday the 1st of May at 07.00am the NQ Intercity Shield commenced with the Opening Ceremony which included the march pass, speeches by invited dignitaries, the reading of the bowler's oath as well as one male and one female being selected as the King & Queen to bowl the first ball.

There are 6 Local Associations, Mt Isa, Cairns, Atherton, Townsville, Burdekin and Mackay, who play in NQ Intercity Shield.

This is a 5-person team event, played over 2 rounds, in four divisions consisting of 1 Female team and 1 Male team in the Division One and 1 Female team and 1 Male team in the Division Two.

Each team consists of no more than 7 bowlers and the tournament is held over 3 days.

There were approx. 140 bowlers plus coaches and managers who attend this tournament.

The winner of each division is the team with the highest number of points at the conclusion of the tournament. The winner of the Intercity Shield is determined by the highest total number of points received by the 4 divisions from 1 Adult Association/Sub Committee at the conclusion of the tournament.

NQIS Divisional Winners

Division One Men [Mackay](#)

Division One Women [Mackay](#)

Division Two Men [Atherton](#)

Division Two Women [Burdekin](#)

Overall NQ Intercity Shield Association [Burdekin](#)

All Star Team: The top 5 men and top 5 women with the highest average from the Scratch Teams and the top 5 men and top 5 women who bowl most over their starting average from the Handicap Teams are named in the All-Star Teams. The Bowlers must have bowled 2/3 or more of the Intercity Shield games.

Division One Men

1. Brendan Muscat	Avg 222.4 MKY
2. Jarrod Langford	Avg 219.1 BKN
3. Matthew Dickson	Avg 214.1 CNS
4. Lleyton Nucifora	Avg 212.2 BKN
5. Ralph Strecker	Avg 211.4 MK

Division One Ladies

1. Lauren Proctor	Avg 203.4 MKY
2. Marissa Rossberg	Avg 190.4 TSV
3. Brenda Carr	Avg 184.7 BKN
4. Krystal Tognola	Avg 177.1 CNS
5. Roslyn Davis	Avg 176.8 TSV

Division Two Men (with H-Cap)

1. Alex Moriconi	Avg 223.3 ATH
2. Connor Keyzer	Avg 217.8 CNS

Division Two Women (with H-Cap)

1. Eileen Baker	Avg 216.3 BKN
2. Helen O'Bryan	Avg 213.4 ATH

3. Bevan Fagg	Avg 217.1 BKN	3. Elaine Milligan	Avg 213.0 ISA
4. Kris Hampson	Avg 215.3 TSV	4. Carole Cowley	Avg 212.5 ISA
5. Steven Milligan	Avg 212.9 ISA	5. Bree Fagg	Avg 212.2 BKN

The Tenpin Bowling Association Townsville did an excellent job to host the NQIS especially when Cairns Go Bowling were not able to hold the event due to COVID-19 restrictions.

TBAT only had a couple months to put it all together and we would like to thank them for the great effort.

The NQ Intercity Tournament was a great success and all bowlers enjoyed both the bowling and the social side.

The NQ Championships and Masters is scheduled for the 23rd & 24th of October 2021. The NQ Championships and Masters has not been held for many years and North Queensland is looking forward to once again restarting this tournament.

In NQ there has been moment by members to establish tournaments such as the Mike Carney Memorial Tenpin Tour - Q Tour North, Lexus Open, Mackay Open and the Atherton Avalanche as well as local association tournaments.

It is a big undertaking for those to organise these events as well as for the bowlers to travel.

Some tournaments require bowlers to travel 11 – 13 hours to participate.

On Friday the 30th of April, the North Queensland Adult Committee held the AGM and the following members were elected to these positions.

NQAC Co-ordinator	Bob Doyle
NQAC TBAQ Representative	Frank Nucifora
NQAC TBAQ Adult Committee Representative	Tyson Jones

Congratulations to these members and I look forward to working with them into the future.

Regards,

Bob Doyle

NQAC Co-ordinator

North Queensland Junior Committee Annual Report 2021

2020 President Shield was cancelled due to Covid 19.

The team members were: Lilly Wilson, Sophie Jones, Caitlyn Wallwork, Loani Marshall, Emily Hinspeter, Brook Hinspeter, Ellieh Bowman, Stephen Carr, Hayden Carr, Jaidyn Miller, Lachlan Hembrow, Samuel Nickles, Ethan Ganderton and Josh Clarke.

Officials were: Belinda Jones, Natasha Ganderton, Karen Renton, Bardley Carr and John Carr. As all monies for this event had been paid the team stood to lose quite a lot of monies. Fortunately, we were able to refund all unuse monies to all team members due to the insurance of TBA.

The 2021 President Shield team is: Lilly Wilson, Sophie Jones, Elleih Bowman, Emily Hinspeter, Lachlan Hembrow, Mitchell Parsons, Luke Doyle and Kohan Davis. Officials are Belinda Jones, Karen Renton and John Carr. All are looking to travelling to Hobart to give it their all.

North Queensland will be conducting the annual Intercity Shield event in Cairns in September. Junior Intercity will be held in the original 5 man team format pending the results and consequent changes to anc

Junior champs have been earmarked for November with a date to be set after juniors return from anc.

Removing invoicing Nf payment systems from the junior treasurer has proven to be a hassle for our committee and makes us wonder what the role of treasurer in a committee is for apart from passing on information which becomes a waste of time for 1 or the other and this needs to be sorted.

The introduction of Q Tour north is giving our juniors another avenue to bowl and it is hopeful that between this, Intercity masters championships, local masters and the B and T junior open we will be able to facilitate a small tour for the north juniors over our significant travel area next year.
